# Alternative Charity Gifts

Change a family's life from as little as £10

Struggling to find presents for your loved ones. Why not do something different and give your loved ones an alternative gift and let them change a family's life from as little as £10 by choosing one of our alternative gifts. We will send you a gift card, thanking you and giving more information on your gifts and the impact this will have on children diagnosed with a single ventricle heart condition and their family. You will also receive an LHM pin badge.

£10

Could provide an ante-natal pack to recently diagnosed parents, at a time when they are completely devastated, terrified and confused. The pack enables them to understand what the condition is and hear from other parents about their experiences.

£20

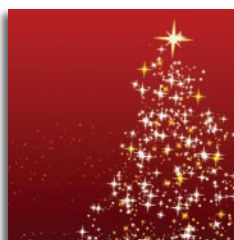

Provide a preparation for hospital pack to allow parents to explain to children what hospital will be like, reducing the fear and confusion the children have.

£100

Could help to fund our family days which bring as many of our young people as possible together for an information and activity weekend, allowing the children to meet other children with the same conditions, and for that weekend be the 'normal' child.

## Lights of love

Little Hearts Matter will be lighting our very own Christmas Tree, and you can help us to decorate it by buying a light or lights in celebration of an achievement, for the one you love or in memory of a loved one.

The tree will be lit throughout December until the 12th night in January.

There will be a special switching on ceremony on Sunday 11th December 2011 in Stafford and we would like to invite you all to join us. If you wish to come please email us on [info@lhm.org.uk](mailto:info@lhm.org.uk). To purchase a light either complete the order form or visit [www.justgiving.com/lightsoflove2011](http://www.justgiving.com/lightsoflove2011)

Suggested donation of £5 per light.
