Hey! My name is ____

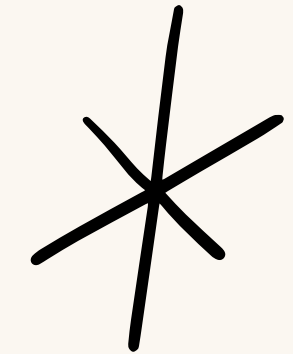

Little Hearts Matter

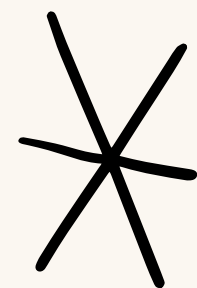

Supporting every step of the half a heart journey

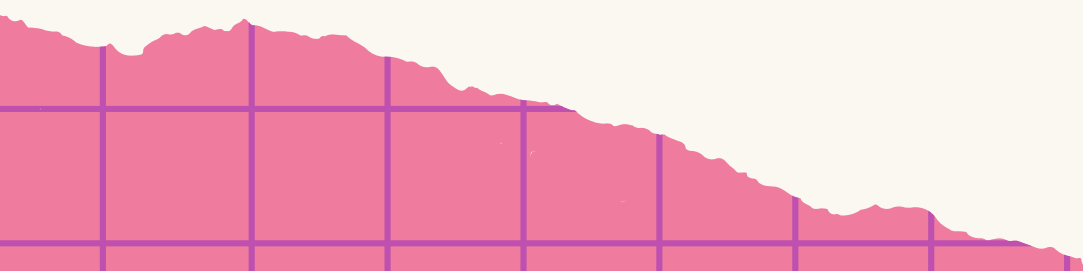

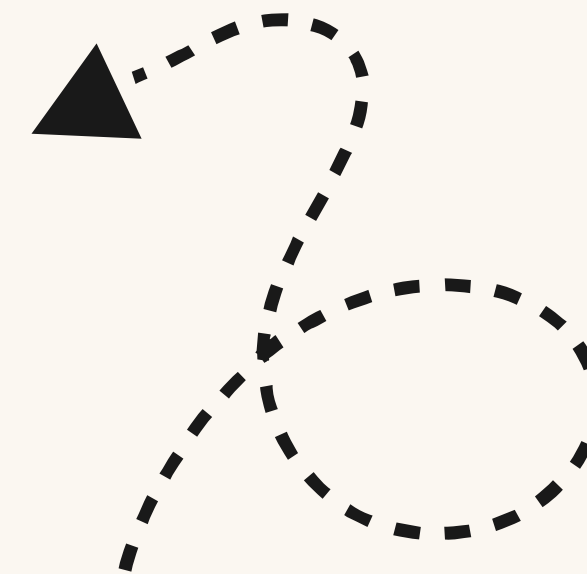

How my heart works

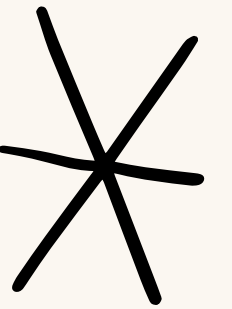

Little Hearts Matter is a charity that offers free information to help people understand how single ventricle heart conditions work...

To learn more, go to
lhm.org.uk/conditions

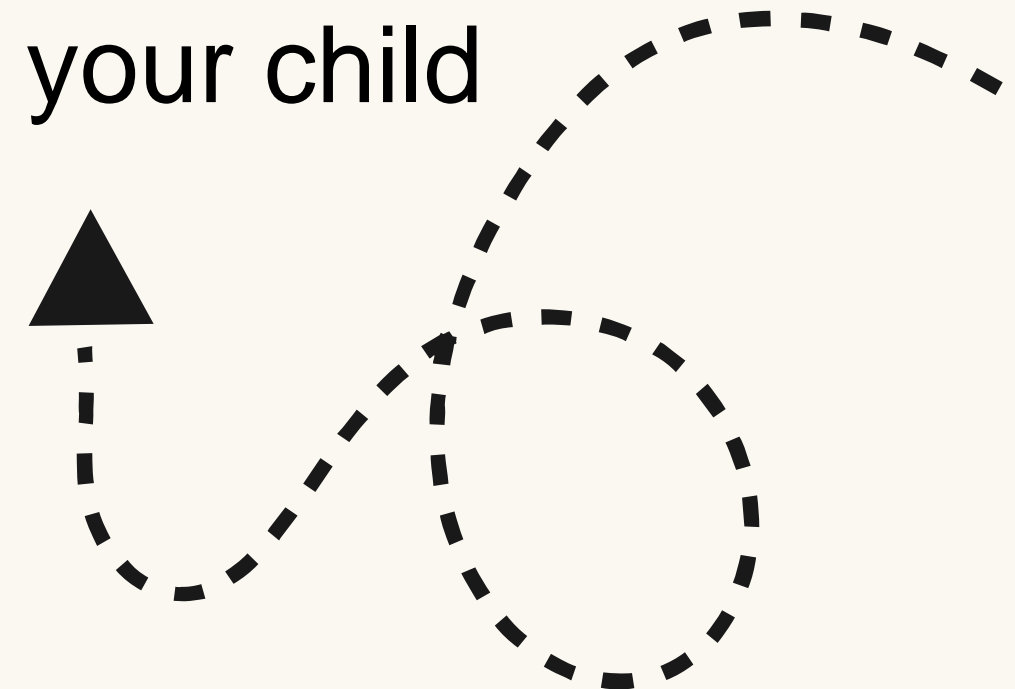

My heart operations

Place your
photo here

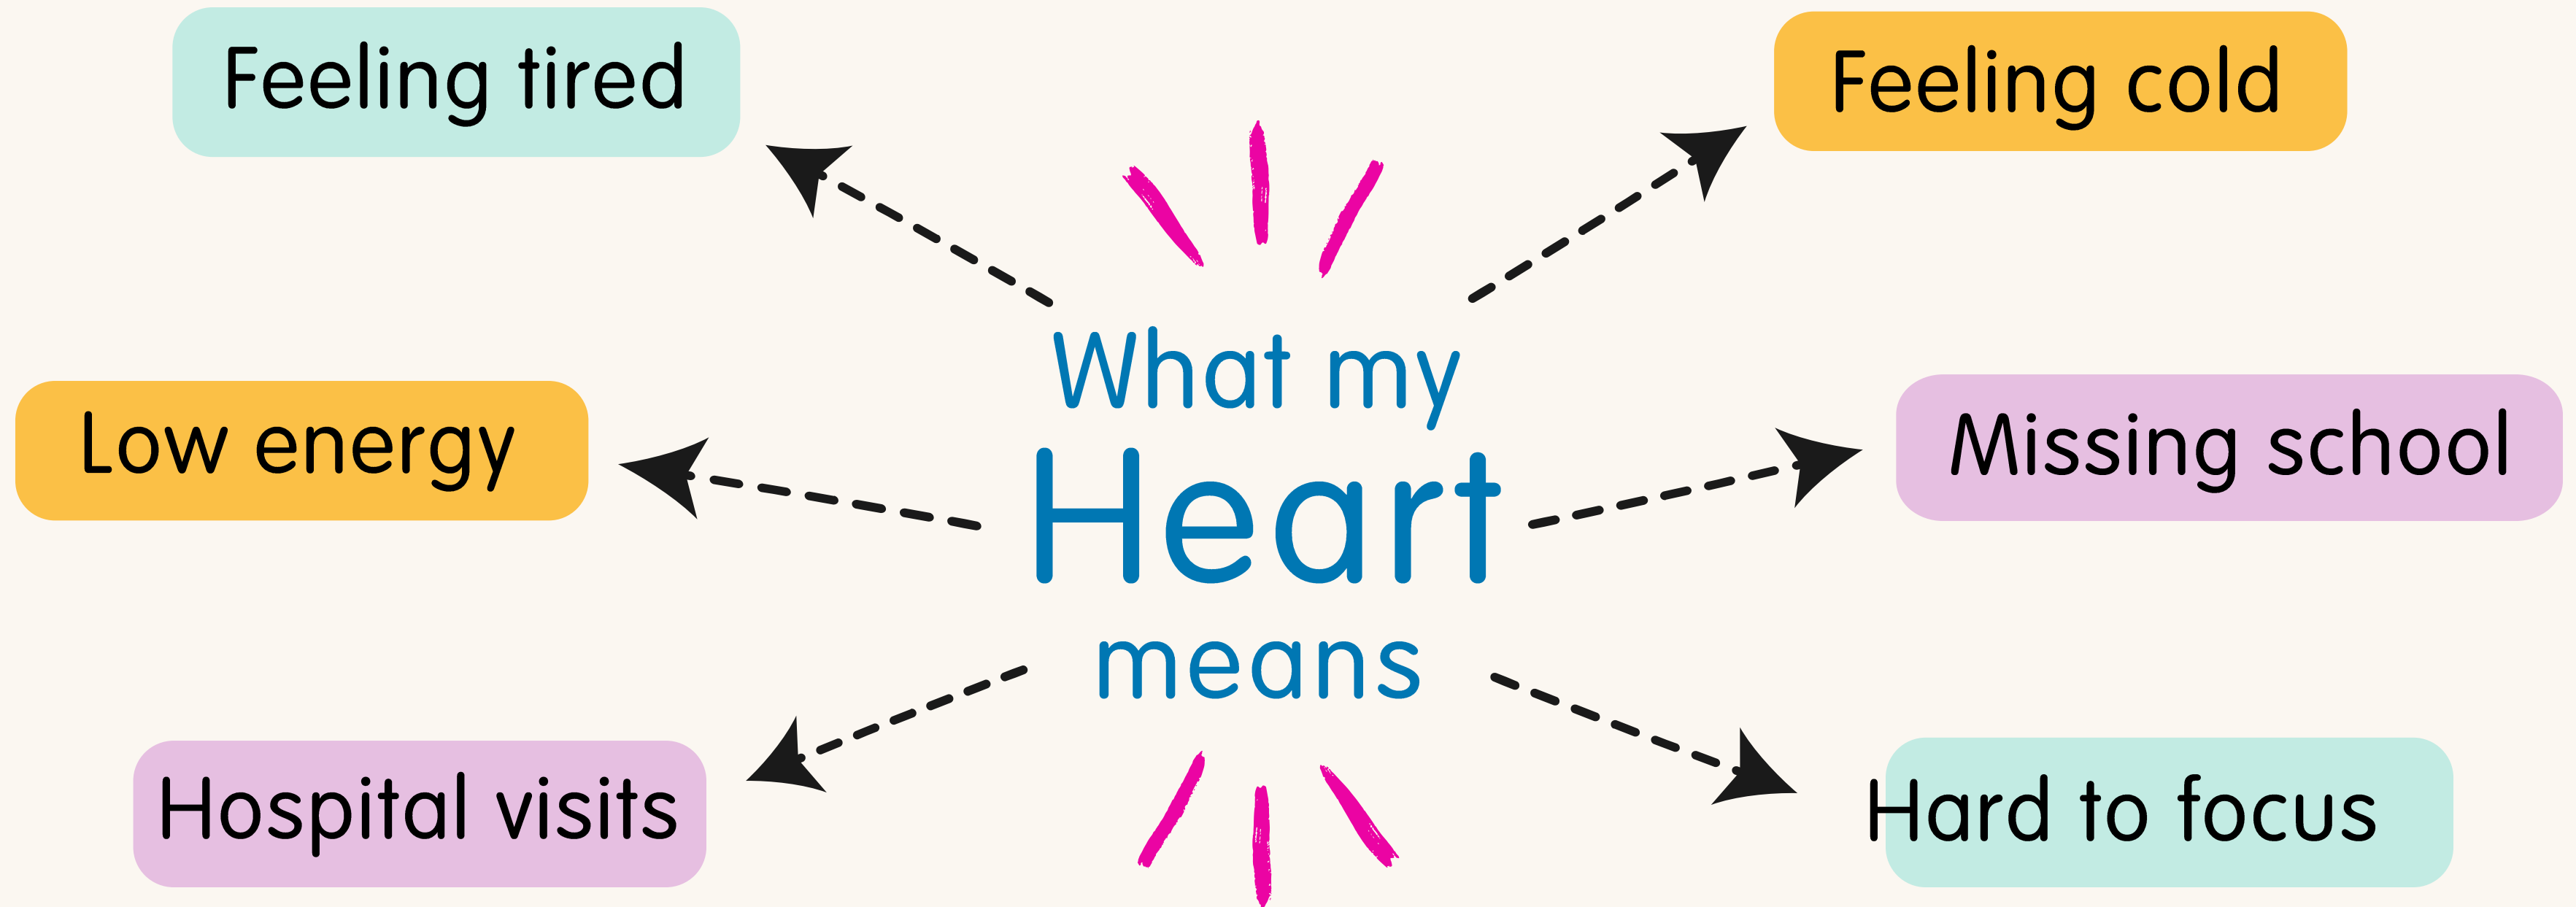

Use this space to tell the audience more about the operations you / your child has had.

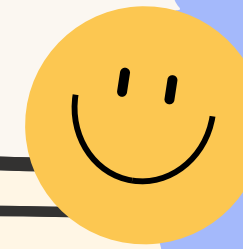

Little Hearts Matter

Delete me Use this page to tell people about the challenges you / your child experiences at school.

Think about your
school values

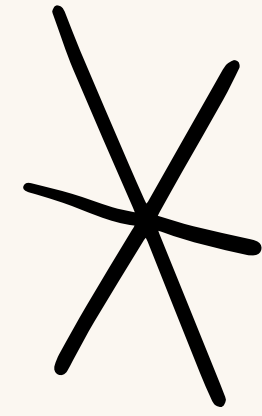

How you can help

You can't see everything, like my special heart!

Come to school with kindness, friendship and
an open mind.

Supporting every step of the half a heart journey

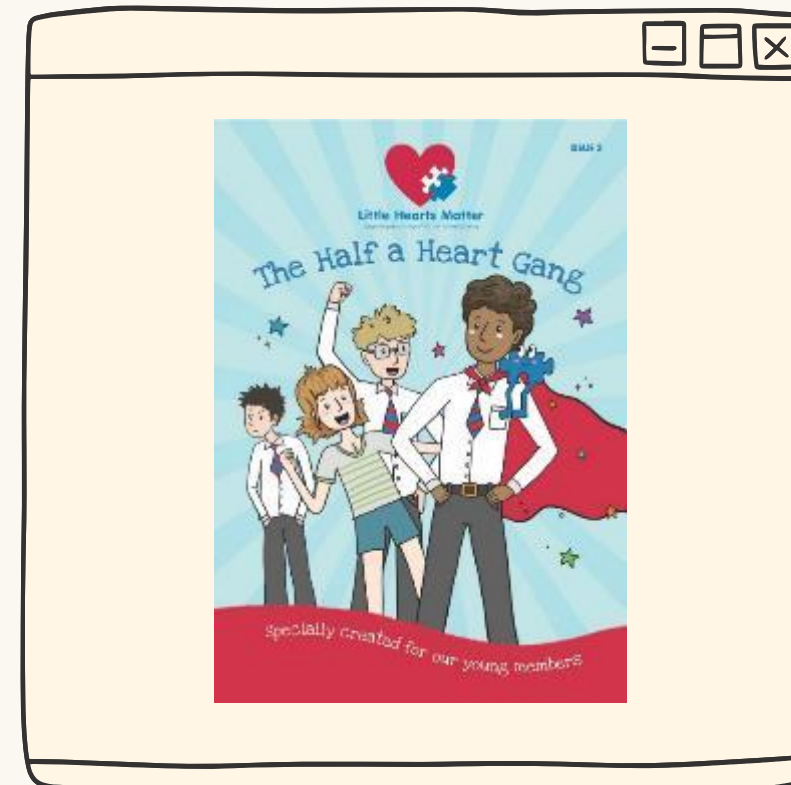

How Little Hearts Matter Helps

LHM helps thousands of people with a special heart

Support

Being there for people with half a heart

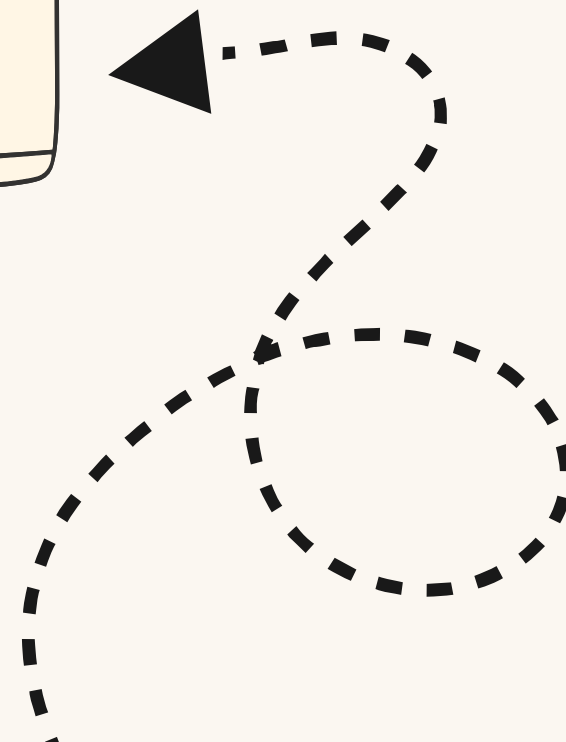

Information

Helping people understand their heart condition

Community

Bringing people with half a heart together

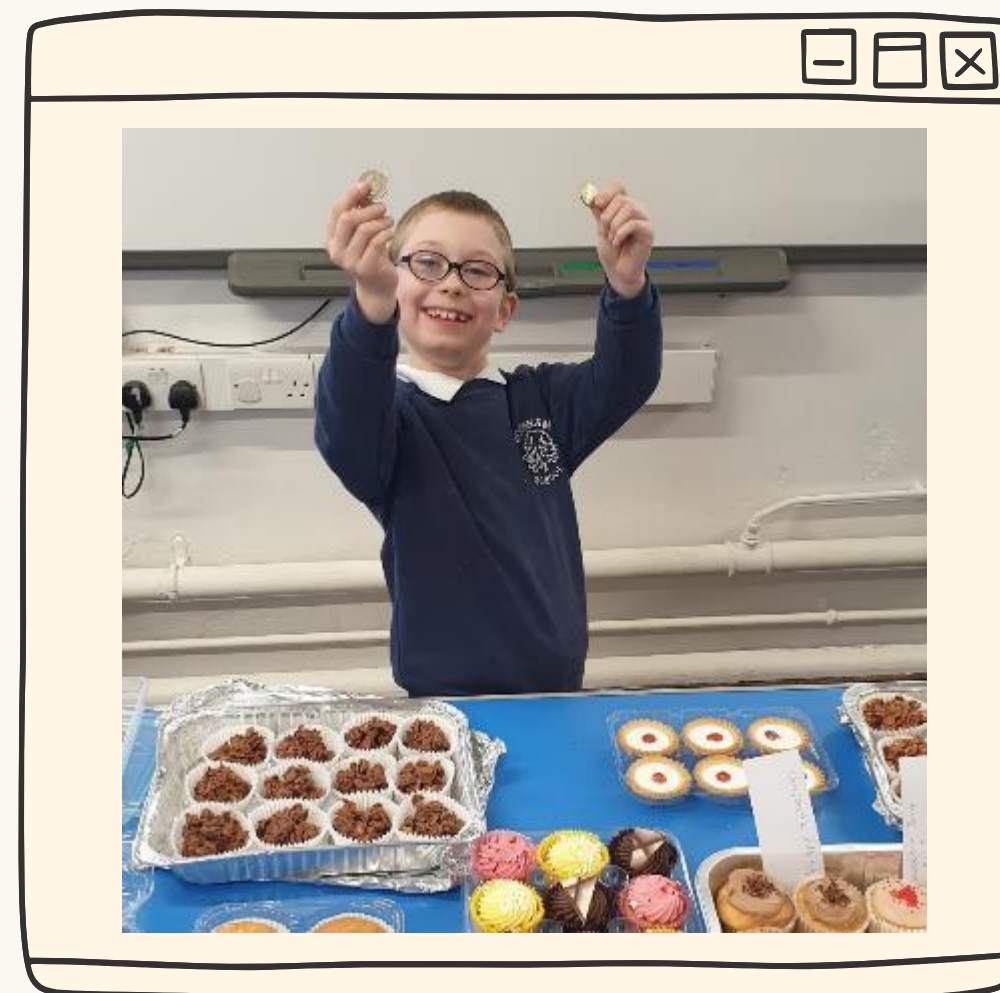

Fundraising

For Little Hearts Matter

You could do;

- Dress down days
- Competitions
- Cake sales
- challenges (runs, walks, silences)

The charity needs money to provide its much-needed services.

Ben raised £130 for LHM at his school!
