

Spooktacular fundraising fun for Little Hearts Matter!

This Halloween, why not add some spooky fun to your celebrations while raising funds to support children with half a working heart? Here are some fang-tastic fundraising ideas for families, schools, and communities to enjoy together:

Costume Contest

Invite friends, family, and neighbours to join in a fancy dress competition! Categories could include Scariest, Funniest, Most Creative or Best Group Costume.

Haunted House Experience

Turn a community hall or your own home into a thrilling (but family-friendly!) haunted house. Charge entry and sell spooky snacks to raise extra funds.

Trick-or-Treat for Charity

Partner with local shops or businesses where children can trick-or-treat. Donations or a portion of sales can go to Little Hearts Matter.

Pumpkin Carving Challenge

Host a pumpkin carving competition with an entry fee. Display the pumpkins and let people vote for their favourite.

Monster Movie Marathon

Organise a spooky film night! Sell tickets, popcorn, and themed treats. Perfect for schools or community groups.

The Ghoulish Games Challenge

Plan a series of fun Halloween-themed games! Pumpkin bowling, apple bobbing, mummy wrapping contests! Charge per game or sell a "game pass."

Guess the Goo!

Fill boxes with mystery Halloween items (peeled grapes, jelly, spaghetti). Players pay to guess and the best guess wins a prize!

Halloween Hunt

Create a scavenger hunt around your garden, local park, or hall with spooky clues and hidden prizes.

Frightening Face Painting

Offer face painting at your event or party with spooky designs such as witches, skeletons, pumpkins, or sparkly bats!

Spooky Bake Sale

Bake and sell Halloween treats like monster cupcakes and ghost biscuits.

Every pound raised helps children, teenagers and families living with half a working heart. Thank you for being part of our Little Hearts Matter community and making Halloween extra special this year!
